To whom it may concern,

This is a request to re-install the Regular Electric meter in my house and replace it for the "Smart Meter" installed in our house many weeks ago.

We have felt, very slowly in our bodies the impact of the "Smart Meter", our health has been Deteriorating ; head aches, insomnia, erratic blood pressure, dizziness, irregular heart palpitations, irregular fatigue, etc. The "Smart meter" has affected health wise, my wife and me.

Please re-install the Regular Electric meter at 8622 Easthaven Blvd. Houston, Texas 77075
