RE: PROJECT NO. 42709 – *Application of Grandview Wind Farm, LLC to Amend its Power Generation Company Registration, Pursuant to P.U.C. SUBST. R. 25.109*

NOTICE OF APPROVAL

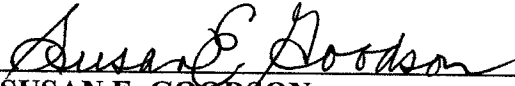

On July 25, 2014, Grandview Wind Farm, LLC (GWF) filed an amendment to its power generation company (PGC) registration pursuant to P.U.C. SUBST. R. 25.109(h). GWF indicated an amendment is necessary to reflect a change in ownership. GWF is currently owned by two legal entities: E.ON Climate Renewables (50%) and EFS Grandview, LLC (50%).

On August 4, 2014, Commission Staff filed a recommendation that the GWF has satisfactorily completed the post-registration requirements under the rule by notifying the Commission of any material change in the information provided on the registration form. Commission Staff recommended that the amendment request to the application be granted.

Consistent with Commission Staff's recommendation, the amendment request of Grandview Wind Farm, LLC is approved. Commission records should be revised to reflect the amendment to PGC Registration No. 20325.

SIGNED AT AUSTIN, TEXAS the 5th day of August 2014.
